Manisha Juthani, MD
Commissioner

Ned Lamont
Governor
Susan Bysiewicz
Lt. Governor

Environmental Health Section

Circular Letter EHDW #2023-52

Date: December 27, 2023

To: Directors of Health and Chief Sanitarians
Engineers, Installers, and Industry Professionals

From: Matthew Pawlik, PE, RS 
Supervising Environmental Engineer
Environmental Engineering Program

Re: Technical Standard Update

This Department's *Technical Standards for Subsurface Sewage Disposal Systems* (Technical Standards) will be revised on January 1, 2024. After the first of the year, the updated standards and a revision summary will be available on the Department's website: www.ct.gov/dph/subsurfacesewage. Please download a copy.

The Department will be conducting webinars to update local health officials, engineers, and licensed sewage system professionals on the revisions. All subsurface sewage certified local health officials should attend one of the webinars to receive updates on the revisions. Licensed sewage system professionals (engineers, installers, and cleaners) are also encouraged to attend one of the webinars.

The webinars will take place from 9:00AM to 10:00AM on January 23, February 8 and 22, 2024. Please use the below links to choose which webinar date you wish to register.

- January 23, 2024 – [Registration link](#)
- February 8, 2024 – [Registration link](#)
- February 22, 2024 – [Registration link](#)

If you have any questions or difficulty registering, please contact Amanda Clark at Amanda.Clark@ct.gov or (860) 209-5867 (cell).
