

Healthcare Center and Residential Program Accepting Admission Applications and Respite Care Program Reinstated

The **Sgt. John L. Levitow DVA Healthcare Center** offers Veterans long-term Skilled Nursing Care and short-term Respite Care in a state of the art facility at our scenic Rocky Hill Campus. Veterans enjoy private and semi-private accommodations with ensuite bathrooms and an expansive view overlooking the Connecticut River Valley. [Sgt. John L. Our **Respite Care Program** provides the opportunity for caregivers of Veterans to have temporary relief from their duties for a scheduled period of time. This is a short-term program in which the Veteran is provided up to twenty-eight days (minimum of 5 days) of respite care per-year. The DVA offers two **Residential programs**, one for individual Veterans (male and female) and a temporary family housing program called Patriots' Landing. In our Residential Facility we have newly renovated and refurnished semi-private rooms, a new physical fitness center, computer and game room and are near completion of a variety of quality of life and safety projects including full ADA upgrades to the facility. Patriots' Landing is located on West St. in Rocky Hill across from our main Campus. There are five single family three-bedroom homes to accommodate Veterans, their spouses and dependent children. All homes are completely furnished; equipped with kitchen supplies, bedding, furniture, washers & dryers, and full kitchens. All homes are smoke free and pets are not permitted.
